VERSE 1

G **G/B** **C**
Through dusty trail and river dry
C **D** **Em**
In thunderstorm and blistering sky
G **G/B** **C**
From mountain high to street below
C **D** **Em**
Across the desert we call home
Am **G/B** **C**
You were the sun, You were the shade
C **D** **G**
You were the love that led the way

CHORUS

C **D** **Em**
We don't know what the future holds
Am **G/B** **C**
But we know that we can trust in You
C **D** **Em**
We'll set our hearts upon the road
G **G/B** **C**
We'll love and leave the rest to You

VERSE 2

G **G/B** **C**
Jesus, we so often fail
C **D** **Em**
We trample hearts along the trail
G **G/B** **C**
So write the law deep in our lives
C **D** **Em**
Of mercy more than sacrifice
Am **G/B** **C**
Then to each other we'll repent
C **D** **G**
And turn to You to start again

REPEAT CHORUS

INSTRUMENTAL

D **C** **G** **C** **D**

VERSE 3

G **G/B** **C**
We will find our strength in You
C **D** **Em**
Together as we journey through
Am **G/B** **C**
So Living Water, come and flow!
C **D** **G**
Across the desert we call home

REPEAT CHORUS 2X
