

SET RIGHT

INTRO G5

VERSE 1 G5

The Lord is His anger
What about mine
He has His reasons
I'm doing my time
Lying here in wait
With no place to go
God has the last say
The plans that He knows

VERSE 2

G5 C5 - Bb5
The world is no longer
G5 C5 - Bb5
The place we celebrate
G5 C5 - Bb5
The broken are waiting
G5 C5 - Bb5
Waiting for aid
G5 C5 - Bb5
Trying to understand
G5 C5 - Bb5
Where justice has gone
G5
But God has the last say
Oh when will He come?

I thought, I thought, I thought I knew
G5 Bb5 - A5
I thought I knew what to do

I thought, I thought, I thought I knew
D5
I thought I knew what to do

When will the world be set right?

When will the world be set right?

When will the world...

Be set right?

G5 C5 - Bb5
People cry out,
G5
"Truth, liberty!"
G5 C5 - Bb5
Falling on deaf ears
G5 C5 - Bb5
As we scroll on our screens
G5 C5 - Bb5
So much hurt and anger
G5 C5 - Bb5
The wounds are too deep
G5
But God has the last say
Will He set them free?
