

# WE LIFT OUR EYES

## CHORUS

**Bsus**            **A**  
We lift up our eyes to You  
                 **E**  
Come heal our home  
                 **Bsus**            **A**  
We lift up our eyes to You  
                 **E**  
Come make us whole  
                 **Bsus**            **A**  
We lift up our eyes to You  
                 **E**  
Come heal our homes  
                 **Bsus**            **A**  
We lift up our eyes to You  
                 **E**  
Come make us whole

## VERSE

**Bsus**                    **A**  
Take these words inside our mouths  
                 **E**  
And show us how to live them out  
**Bsus**                    **A**  
Take these words beneath our tongues  
                 **E**  
And give us new songs to be sung  
**Bsus**                    **A**  
Take these words inside our mouths  
                 **E**  
And show us how to live them out  
**Bsus**                    **A**  
Take these words beneath our tongues  
                 **E**  
And give us new songs

## REPEAT CHORUS
